

**Tulsa City & County Continuum of Care  
FY2016 Local Competition  
Timeline and Instructions for Application for Projects**

Now that the Notice for Funds Availability ("NOFA") has been released, Phase Two of our local HUD FY2016 CoC competition has begun. As you know, in an effort to streamline the review, ranking and application process this year, we asked that you provide the required information in two segments instead of all at once, as has been done in the past. Since you may have already provided a portion of the required information before the NOFA dropped as part of Phase One, the remainder of the information needed by the Review Panel for this year's competition is now being requested. Please adhere to the dates provided below.

<b>July 15, 2016</b>	Deadline for applicants to submit the <i>Declaration of Intent to Submit a Renewal Application or Release Currently Awarded Funds for Reallocation</i> for each project.
<b>August 15, 2016</b>	Deadline for Phase Two's documents and submission to the CA of a pdf copy of each project's application draft from e-snaps. (HUD states that all applications must be provided to the CA no later than 30 days before the competition closes)
<b>August 16, 2016</b>	CA completes its threshold review of the applications and distributes applications to the Review Panel
<b>August 17, 2016</b>	Review Panel conducts its final review, completes scoring of the projects and prioritizes project rankings for submission to the CoC
<b>August 22, 2016 (pending reschedule of the August Governance Council meeting)</b>	CoC Governance Council receives recommendations of the Review Panel, approves the Project Priority Rankings for inclusion in the CoC Consolidated Application and publishes the results (Applicants must be notified at least 15 days before the due date of the CoC application to HUD if a project is to be accepted or rejected by the CoC) so that they will have sufficient time (15 days) to file a solo application, if necessary.

<b>August 31, 2016</b>	Request for Certificates of Compliance from local jurisdictions made
