The financial statements of Community Service Council have been examined by Heatherington & Fields Certified Public Accountants. The complete financial statements and auditors’ report are available at Community Service Council’s offices, 16 East 16th Street, Suite 200, Tulsa, OK, 74119.

Our mission
The Council's mission is to provide leadership for community-based planning and mobilization of resources to best meet health and human service needs.

Our vision
The Council is committed to the positive well-being, health and self-sufficiency of the people in the Tulsa area — furthered by a proactively engaged community of informed stakeholders (policymakers, civic leaders, citizens, service professionals, and others), regularly working together to advance thoughtful, often long-term, effective action.
Goal 1  
Good Physical and Mental Health  
supported by responsible health decisions.

Goal 2  
Positive Early Child Development  
-getting off to the best start

Goal 3  
Positive Youth and Family Development  
-promoting strong family & neighborhood supports

Goal 4  
Student Success  
-advancing new approaches and decision-making structures for improving student outcomes

Goal 5  
Reduce Incarcerations  
-keeping people out of prison--essential to saving resources and increasing opportunities for success

Goal 6  
Reduce/Prevent Homelessness  
developing a broad coordinated system of intervention, support, and prevention

Goal 7  
Preparing the Community for Emergencies  
-keeping residents safe during health related and other community emergencies

Goal 8  
Policy Development & Advocacy  
-informed decisions about resources, policies and laws affecting the human service system

Goal 9  
Effective, Early Access to Community Services  
-increasing efficiency for providing and receiving critically needed aid
