## International Infant & Toddler Conference Tulsa, Oklahoma

Dear Conference Exhibitor,

The International Infant & Toddler Conference (IITC) Planning Committee is seeking diverse exhibitors for the 2019 conference: ***Securing the Future Through Healthy Connections***. The conference is being hosted in Broken Arrow, Oklahoma at Stoney Creek Hotel and Conference Center on April 10-13, 2019. The focus of IITC 2019 is on the **mental health and well-being of infants and toddlers**, including the importance of secure attachments, relationship building, as well as the impact of trauma on young children. **This cross-disciplinary conference will bring together professionals from multiple sectors who work to improve the lives of infants and toddlers.**

We are planning for up to 400 participants to attend and will be providing training and resources to early childhood professionals from around the world. Exhibits may be set up Wednesday evening, April 10 or Thursday morning, April 11, between 6 – 7:30 a.m. Registration opens at 7:30 a.m. on Thursday so we are asking that your booth be open for business by that time. The conference will conclude at 3 p.m. on Saturday, April 13 with the closing keynote beginning at 1:15 p.m. so you are welcome to shut down then or stay open through the conference conclusion.
