We encourage your organization to sponsor this valuable professional development for those who care for young children, including teachers, caregivers, pediatricians and mental health clinicians. Participant registration is charged to cover the cost of the venue, food and meeting supplies. Your contribution would support the honorarium and travel of expert presenters at the event. For a sponsorship of \$5,000, your agency will be listed as a platinum sponsor on all printed materials and have the opportunity to send six participants from your agency at no additional charge (or have a free ad placed in the program). We have additional sponsorship levels available as well.

The past five conferences have been extremely successful. Around 400 participants/speakers, from around the world, gather to enjoy a variety of outstanding presentations on best practices and the latest research in infant and toddler care. Together we have explored early foundations, empowering our children to change the world, understanding the importance of play, and creating a foundation for a global future.

Thank you for making a difference in the lives of those who care for our community's infants and toddlers. By investing in early childhood professionals through the sponsorship of this event, you are making a positive impact in the lives of children. II&TC 2019 will be held at Stoney Creek Hotel and Conference Center in Broken Arrow, Oklahoma at on April 10-13, 2019.

To be included in event publications, we will need your commitment by Jan. 31, 2019. Please contact me at **918-831-7229** or [csawyer@csctulsa.org](mailto:csawyer@csctulsa.org). We look forward to your support of this important event!
